Dear Partner,

We should always **remember** the good things God has done for us! He has always been with us. As the Psalmist wrote, "O my God, my soul is cast down within me; Therefore I will **remember** You from the land of the Jordan." He was remembering the good times which are full of hope. As Carole and I **remember** what God has done for us we are overwhelmed. He is so faithful! We thank God for you, our partners, who stand with us in Almond Tree Ministries with your love, support and encouragement. We pray for you and your families.

Over the past few months Carole and I have travelled across Canada and into the United States ministering the Gospel of Jesus Christ in prisons, churches, on reserves and in communities. We could not do this without your help, support and prayers. In March we travelled east to **New Brunswick** and **Nova Scotia**; visited **Dorchester and Atlantic Institutions in New Brunswick**, as well we ministered at **St. Mary's First Nation Christian Outreach, the Village of Hope, and the Men's Encouragement Network**. Also spoke at **Word of Faith** and **New Covenant Ministries Churches**. People were set free, blessed and encouraged. "For the word of God is living and powerful, and sharper than any two edged sword, piercing even to the division of soul and spirit, and of joints and

marrow, and is a discerner of the thoughts and intents of the heart." Hebrews 4:12 NKJV

Don't you love God's word and love to see the miracles He is doing in people's lives today?

Everyone in these photos is a miracle! Carole and I know that if it were not for God we would not be in these pictures, as a matter of fact, we might not even be alive. God has kept us and will continue to do so until our work here on earth is done.

Recently we had the privilege of speaking at the **New Life Center Church in Dauphen, MB** and at **Cardiff Hall in Morinville, AB**. What a wonderful presence of the Holy Spirit in these meetings! God touched many lives! You know we do get tired and weary at times for there is so much to do but we know where to get our **rest**. If God can give us **rest** he can do the same for you. Jesus said, "Come to me, all you who labour and are heavy laden and I will give you **rest**." Matthew 11:28 NKJV Jesus is our Rock and Carol and I run to Him many times a day. You can too! He says, "Take my yoke upon you and learn from Me, for I am gentle and lowly in heart, and you will find **rest for your souls**." Matthew 11:29 NKJV What a promise!

If we stick close to Jesus He sticks close to us!

Dr. Holmes spoke at our church in March; a great man of God whom we've known for many years. He has always been a wonderful blessing to Carole and I and our Church Family. Also from his Church in Estavan, SK seventeen volunteers came to Almond Tree Ministries and stayed for the weekend working on the Bible Institute dormitory; each using their gifts in a special way. All worked diligently, some putting up partitions and others cooked and cared for the team. An awesome time of fellowship!

J.C Brass, a young fellow from our community, is in his second year at ORU (Oral Roberts University in Tulsa, Oklaholma). J.C. along with five other ORU students is doing a **Mission Trip** here at Almond Tree Ministries. They are great workers and have been doing a wonderful job on the ATMBI Dorm, under the direction of head carpenter, Les Sinclair from Pequis, MB. They will be with us till the end of July and are ministering on several of the local reserves as well. They have been a great blessing to both Carole and I!

The dormitory now has all the electrical completed and we are praying for more volunteers to help finish gyprocking. Provisions for outside siding, flooring, ceilings, light fixtures, bedding, pillows etc. are all needed. This building will be the dorm for students attending ATMBI in the fall; a wonderful opportunity for churches to participate in a **local, national or international mission outreach**. Please consider this either as a church body, a college group or individually. We are in need of your help. This dorm will provide a place for students to live as they study the word of God and prepare to GO and preach the gospel message. We look forward to having you contribute to this worthwhile mission project and partnering with us to help make a difference in eternity.

We had a wonderful visit from **Pastor Mart Vahi** and his son **Andrew** who operate the **Village of Hope in Estonia and Tracy, New Brunswick** respectively. These are Christian residential drug and alcohol treatment centers and are bringing love and life back into families.

Carole and I also had the opportunity to attend a **wedding in Flagstaff, Arizona** on the **Leupp Navajo Reservation** in May and, as well, we ministered at the local church. Had an amazing time of ministry and fellowship! Also recently we ministered at the **Canadian Revival Center in Prince Albert with Pastor Kevin & Theresa Tabuchi**. We are so honored that God gives us these opportunities to minister the Gospel of Jesus Christ and to help build up and encourage the body of Christ.

Photo on the left is Catherine Welland preaching at Almond Tree Church. She felt led by the Lord, and with the blessing of her pastors, to join us and set up the curriculum for ATMBI. We must always **remember** God is our Provider. We are so blessed, and give thanks to the Lord, to have Catherine leave her home in Nova Scotia and come to Saskatchewan to do what God has called her to do.

We visit **Regina Correctional Centre** the first Sunday of every month to minister, encourage and bring the hope of salvation and the love of Jesus Christ to the lost and the lonely. Since March we have witnessed **over 80 salvations**. Our hearts are overwhelmed to see the Holy Spirit touch so many lives, that to many seem hopeless, but to God they are precious souls in His sight.

Please consider partnering with us either financially or by doing a local mission outreach or helping to provide some of the necessities to complete the dormitory. **Thank you for whatever you are able to provide! We love you and pray God's blessings on you and your family.**

Partnering together to advance the Kingdom.

In Christ's Love,
